INSTRUCTIONS

Online Registration:

For the purpose of ensuring that youth leaders have knowledge of the correct number of youth attending from their church, online registration must be completed by a church official.

Adult chaperones and ratios:

While it is not easy to find the free adult, it is imperative that all our churches live up to the covenant of sending the appropriate number and gender of chaperones. ***For High School purposes any single youth group of 4 or more youth without a chaperone will have their registration suspended.*** If the number of youth from a single church is three or less then please call me and for an additional \$10 per youth the Conference will seek to find appropriate adult supervision.

Each church is to provide the following Adult/Youth Ratio:

- 1 adult for up to 10 High School Youth
- 2 adults for 11-20 High School Youth
- 3 adults for 21 youth, etc.

If your group is large enough to need multiple adult sponsors it is preferred the adults be male and female – mirroring the gender makeup of the youth attending.

Retreat Registration Forms:

The importance of having accurate, up to date medical information cannot be overlooked. ***Youth leaders are responsible for distributing Registration Forms and collecting them in a timely manner to get them into the conference office no latter than the Thursday before a retreat.*** These forms are required even if the youth has attended an earlier event.

Parents may wish to fill in all the information except the current medication, make a copy and have the form on file to use for later retreats.

Due to the variety of ways each church communicates with its youth we have posted this material on the conference website next to the middle school retreat information (www.rmccucc.org, follow links). You have the choice to:

- 1) Copy the document and hand them out at church
- 2) Download the document to your computer and email it out
- 3) Copy the website url address and email that to your parents with appropriate instructions

I hope this format will provide the flexibility for all of our churches to communicate to their youth via the route that is most efficient for them.

Acknowledgment and Assumption of Risks and Waiver of Claims for Minors and Adults

Please read carefully before signing. This document includes a release of liability and waiver of certain legal rights.

In consideration of my own or my child's participation in camping activities sponsored by the Rocky Mountain Conference, UCC and held at the La Foret Conference and Retreat Center, or at another agreed to location:

Acknowledgment of Risks

I understand that there are numerous risks associated with participation in any camping activities, including such things as hiking, swimming, backpacking, out-camping, ropes courses, field games, crafts and transportation to and from camp activities, and that many, but not all, of these risks are inherent in these and other activities. These risks, which contribute to the unique character and desirability of the activities involved, may pose the possibility of severe injury, illness or death. I further understand that most of the activities involved in the camping experience at La Foret will take place in an outdoor environment, and that the Rocky Mountain Conference and La Foret staff have taken all reasonable measures to insure the safety and well being of all participants, including, but not limited to:

during that any instructors for activities given at La Foret meet all the requirements (Local, State or Federal) for that position

- all volunteers at La Foret have been recommended by and approved by their local church
- all obvious and known hazards have been removed from the actual camping areas
- all persons driving participants to and from activities have a valid driver's license.

I also understand that many of the risks inherent in the camping experience cannot be eliminated, altered or controlled. Some, but not all, of the specific risks include:

Weather conditions may change rapidly and unpredictably and may directly cause injury, i.e. severe rainstorms, hail storms, sunburn, lightning strikes, cold temperatures, or by acting on other factors, i.e. performance of equipment may be impaired by weather conditions.

Equipment used in activities may break, fail, or malfunction, despite reasonable maintenance and use, and may inflict injuries, even when used as intended. Persons using equipment may lose control of such equipment and cause injury to themselves and/or others.

Most activities take place in a natural environment, where unexpected, unseen, and unknown/unmarked objects and conditions create risk of injury, i.e. falling, tripping, slipping, insect or animal contact, unstable surface conditions, falling rocks and objects, potentially harmful vegetation.

Counselors and guides use their best judgment in determining camper's ability to participate in camp activities. However, campers may have unknown conditions which would limit their participation in certain activities or increase camper's risks of injury. **It is imperative that parents notify the event staff, in writing, of any known limitations.**

Motor vehicle accidents, not the direct fault of La Foret directors and counselors may occur in the course of transporting participants to and from other activities.

Some camping activities may have inherent risks, due to the nature of the camping experience, and there may be other risks which cannot be anticipated.

Acknowledging the above risks and other potential risks, I give permission for my child to participate in: **PLEASE MARK A BOX**

all camp activities, including those described above

all camp activities except the following: _____

I acknowledge and assume the risks involved in any of these activities and for any damage, illness, injury or death resulting from such risks, for myself and my child, with the exception of any unapproved activities described above. There are no physical, emotional, or mental problems or limitations associated with my child's participation in camp activities, except as disclosed by me/us in writing to the Rocky Mountain Conference of the United Church of Christ and to the La Foret Conference and Retreat Center.

Release, Waiver of Liability, and Indemnification

I, on behalf of myself and/or my child, hereby release and waive any claim of liability against the Rocky Mountain Conference of the United Church of Christ and the La Foret Conference and Retreat Center and its employees and agents with respect to any accidental and unforeseeable injury, illness, damage or death, occurring to me or my child while he/she participates in any and all camp programs and activities.

I hereby agree to indemnify and hold harmless the Rocky Mountain Conference UCC and the La Foret Conference and Retreat Center and its employees and agents with respect to any claim asserted by or on behalf of my child as a result of accidental and unforeseeable injury, illness, damage or death.

Governing Law

I agree that this document, and all other aspects of my relationship and my child's relationship with the Rocky Mountain Conference UCC and its agents and employees, shall be governed by the laws of the State of Colorado. Further, I agree that any legal proceedings concerning such relationship shall be filed exclusively in the State of Colorado.

I have read and understand the above and agree to be bound by the terms of this document.

FROM THE CAMP NURSE

- For the purpose of retreats “medications” include prescription meds, over the counter meds, herbal and nutrient supplements, allergy meds, and everyday items as Tylenol, etc.
- **Do not bring medications in a unit dose box or planner, plastic bag or unmarked container,** State regulations prohibit us from accepting medicines which are in unmarked containers.
- Campers are not to have any medications in their cabins except as noted on the health form.
- Any camper requiring an Epi-Pen or inhaler must know how to use it and must carry it with them at all times, as there are situations (such as a hike) when the nurse may not be readily available.
- Please be aware the pharmacies will make up a bottle of medication with enough dosages plus one for the weekend. This alleviates the high cost of replacing medications should they be left at La Foret.
